PAYMENT METHOD

All vehicle rentals must be paid using a credit card, we accept major cards like American Express, Diners Card, MasterCard, and Visa. The credit card holder must be the renter, and the card used to make an online reservation must be presented at the rental kiosk. Debit, virtual, and digital cards are not accepted.

WARRANTY

When renting a car, a "Renter's Responsibility" or "Value of the Excess" deposit is required for any potential loss or damage to the vehicle. Renters must also pay a fuel deposit. Vehicle supplier uses a payment and authorization system, splitting the rental charge into two parts:

1. **Payment Amount:** This is the amount charged to the renter's credit card, which includes the fuel deposit, full rental (if not prepaid), and any additional items (e.g., baby seats, one-way fees). The difference between the rental and fuel costs and the payment amount will be refunded to the renter's card within 48 hours after the vehicle is returned, if there is no damage.
2. **Authorization Amount:** This amount, which represents the "Renter's Responsibility" (the maximum liability for damage or theft unless certain waivers apply), is held (not charged) by the bank on the

renter's credit card when the vehicle is collected. If there's no damage when the rental contract ends, the authorization is cancelled.

For all rentals, upon receipt of the car, a deposit amount will be reserved on the driver's credit card which will be returned in full at the end of the rental, if no other charges arise. The release of the amount can take up to 30 days depending on the issuing bank of the card. The amount of the warranty varies by car category. The vehicle provider is the ONLY responsible for releasing the pre-authorized amounts to credit card or assist the client to receive the deposit back. H-Lead has no authority or responsibility over these transactions. The vehicle provider agrees that the Customer's liability for any damage shall be limited to the amount of the stated excess, irrespective of the number of incidents. In the event of multiple damage occurrences, the excess shall be applied only once per incident. The vehicle provider further agrees that it is strictly prohibited from charging the excess more than once for the same incident or for multiple incidents where the total damage does not exceed the stated excess.

Excess: The maximum amount that the lessee shall pay in case of car damage.

Deposit: The amount that will be blocked from driver's credit card for deposit purposes.

TRAFFIC FINES AND INFRINGEMENTS

The renter is responsible for all traffic fines and will be charged a handling fee of R400 per fine, which is applied to their credit card.

COLLISION DAMAGE WAIVER

The daily rate includes Collision Damage Waivers (CDW), but if an accident occurs, the renter is liable for the responsibility amount as printed on the contract.

The CDW does not cover damage from negligence (e.g., driving under the influence of or breaking traffic laws). The excess is charged per incident. CDW does not cover damage to tires, glass, exterior mirrors, underside, interior, roof, engine, locks, or loss of keys. Windscreen and tire waivers are available for an additional cost to cover those specific damages.

EXECUTIVE COVER LIABILITY EXEMPTION

We offer an Executive Cover product that reduces/eliminates the excess amount in case of collision or theft, provided the incident is not caused by actions that violate our terms and conditions such as gross negligence.

THEFT PROTECTION

The daily rate includes Theft Protection Waivers. If the rented vehicle is stolen, the renter is responsible for a specified amount for the vehicle's replacement or parts, as stated in the rental agreement, unless the theft results from gross negligence. In the event of any damage to the vehicle for theft reasons, the insurance does not cover the renter. There is an excess that applies in the event of theft, see Fleet and Insurance. In cases the TPC is not included Renter has the obligation to compensate the Lessor in the event of theft, loss, or damage to Vehicle and to any person (including his co-passengers) as well as to pay all losses & damages suffers by the Lessor. More specifically: a. Renter is responsible for all the damages he has caused to Vehicle or to others in case he had violated the terms of use of Vehicle or in case he has been driving same in an illegal

manner or in violation of the Driving Code. b. Renter is responsible for partial or total theft or loss of Vehicle unless the Lessor releases Renter from the responsibility for total theft or loss of Vehicle. Such release is valid provided that Renter has already accepted at the beginning of rental the daily charge and the conditions of «Theft Protection» (TPC) of Vehicle, as these terms are defined in the official Lessor's price-list (tariff), by marking in the «Accepts» box on the front side of this agreement, provided that Renter has taken all the precautions to avoid total theft or loss of the Vehicle and has used it in compliance with the terms of this agreement. It is expressly agreed that theft or loss of the parts accessories and / or equipment (partial theft) of Vehicle is not covered by the above-mentioned acceptance of «Theft protection» (TPC). c. Renter is responsible for damage to the Vehicle due to collision or fire.

THIRD PARTY LIABILITY

If the renter is not at fault in an accident, they are still responsible for the non-waiverable renter's responsibility amount until the Third-Party Recovery is paid to First Car Rental. Once paid, First Car Rental will reimburse the renter. The amount reimbursed will be subject to the Third-Party Recovery amount.
